Janice Wei Lan, Goodbye

I can see the pain living in your eyes And I know how hard you try You deserve to have so much more I can feel your heart and I sympathize And I'll never criticize all you've ever meant to my life I don't want to let you down I don't want to lead you on I don't want to hold you back From where you might belong You would never ask me why My heart is so disguised I just can't live a lie anymore I would rather hurt myself Than to ever make you cry There's nothing left to say but good-bye You deserve the chance at the kind of love I'm not sure I'm worthy of Losing you is painful to me I don't want to let you down I don't want to lead you on I don't want to hold you back From where you might belong You would never ask me why My heart is so disguised I just can't live a lie anymore I would rather hurt myself Than to ever make you cry There's nothing left to say but good-bye You would never ask me why My heart is so disguised I just can't live a lie anymore I would rather hurt myself Than to ever make you cry There's nothing left to try Though it's gonna hurt us both There's no other way than to say good-bye
