

# Jann Arden, Insensitive

How do you cool your lips  
after a summer's kiss?  
how do you rid the sweat  
after the body bliss?  
how do you turn your eyes  
from the romantic glare  
how do you block the sound  
of a voice you'd know anywhere?  
Oh, I really should have known...  
by the time you drove me home  
by the vagueness in your eyes  
(your) casual good-byes  
by the chill in your embrace  
the expression on your face  
that told me  
maybe you might have some advice to give  
on how to be  
insensitive  
How do you numb your skin  
after the warmest touch?  
how do you slow your blood  
after the body rush?  
how do you free your soul  
after you've found a friend?  
how do you teach your heart  
its a crime to fall in love again?  
Oh, you probably wont remember me  
its probably ancient history  
I'm one of the chosen few  
who went ahead and fell for you  
I am out of vogue, I'm out of touch  
I fell too fast, I feel too much  
I thought that you might have  
some advice to give on how to be  
insensitive
