

# Jars Of Clay, Goodbye, Goodnight

A flower for your vanity, a penny for your thoughts  
About the world's insanity and how we've gotten lost  
Strike up the band to play a song as we go waltzing by  
And fake a smile as we all say goodbye

Goodbye, oh goodbye

Say a prayer for recognition, kiss the ones you love  
Gather up the ammunition, sigh for all the lost  
Strike up the band to play a song as we go waltzing by  
And fake a smile as we all say goodbye

Raise a glass for ignorance, drink a toast to fear  
The beginning of the end has come that's why we all are here  
Strike up the band to play a song and try hard not to cry  
And fake a smile as we all say goodbye  
Goodbye
