

# Jasmine Guy, Emotion Song

you're body feels so smooth  
you're lips feel so soft  
you're hands feel so warm

you're life is out of control  
you are losing you're mind  
you're emotions to me are unbelievable  
do you ever get a feeling that you cant say  
???????

you're lips feel so soft when i kiss em  
you're hands feel so cosey  
you're life is out of control  
you' are losing you're mind  
you're emotions to me are nothing  
nothingto me means something to me  
anything about you dont ccare  
dont care boout you or what i feel  
you're losing contrl  
and i feel you're trying to change  
and i dont feel anything for ya any more  
i dont care! dont care bout you dont care what you feel  
end of the story!
