

# Jasmine Guy, I Lost My Words

i lost control over you  
i lost my game !  
fighting to have you back  
it never worked  
how a shamed  
i feel so shleveshi  
i wish life wasn't so complicating

i lost so much today  
i lost my words  
i lost control  
i sometimes lose my mind  
cause of you  
cause of you  
i lost my words

i lost control over losing you  
there year i begin high school  
do you think that i'll love it  
as much as home  
i lost my words  
couldn't say anything after  
a big shock  
i got so much  
without knowen

i couldn't say words  
i lost control over you  
i lost my words  
coming back to you
