

# Jason Derulo, Marry Me

A hundred and five is the number  
That comes to my head  
When I think of all the years I wanna be with you  
Wake up every morning with you in my bed  
That's exactly what I plan to do

And you know one of these days  
When I'll get my money right  
Buy you everything and show you  
All the finer things in life  
We'll forever be in love  
So there ain't no need to rush

But one day I won't be able to ask you loud enough

I'll say: "Will you marry me?"  
I swear that I will mean it  
I'll say will you marry me?  
Singin' whoa, whoa, oh, whoa, oh,  
Oh yeah,

How many girls in the world can make me feel like this?  
Baby I don't ever plan to find out  
The more I look, the more I find the reasons why  
You're the love of my life

You know one of these days when I get my money right  
Buy you everything and show you all the finer things in life  
Will forever be enough, so there ain't no need to rush  
But one day, I won't be able to ask you loud enough

I'll say: "Will you marry me?"  
I swear that I will mean it  
I'll say will you marry me?

And if I lost everything  
In my heart it means nothing  
'Cause I have you, girl I have you  
So get right down on bended knee  
Nothing else would ever be  
Better, better  
The day when I say

I'll say: "Will you marry me?"  
I swear that I will mean it  
I'll say will you marry me?  
/2x

105 is the number that comes to my head  
When I think of all the years I wanna be with you  
Wake up every morning with you in my bed  
That's precisely what I plan to do...
