

Jason Derulo, Never Let You Go (feat. Shouse)

I can see it in your eyes
I'll only have you just for the night
I'll believe your every lie
Call it love or suicide

When I fell for ya it only took a minute
Hoping that the moment never finish
We both know the truth
When you leave I'm trying to forget it
How am I suppose to go on living
Comparing everybody to you

No I won't forget you
Won't forget you
No I won't forget you
Won't forget you
No I won't forget you
Won't forget you
I will never let you go

I wont forget about the mhm, mhm
I can't forget about the

Diamonds falling down your face
Tell me who you're trying to replace
Cause it hurts so good to fill this space
And nights like this I can't erase

When I fell for ya it only took a minute
Hoping that the moment never finish
We both know the truth
When you leave I'm trying to forget it
How am I suppose to go on living
Comparing everybody to you

No I won't forget you
Won't forget you
No I won't forget you
Won't forget you
No I won't forget you
Won't forget you
I will never let you go

I won't forget about the mhm (no no), mhm (nooo)

No I won't forget you (forget you)
Won't forget you (forget you babe)
I will never let you gooo
