

Jason Michael Carroll, Love Won't Let Me

I always said I wouldn't stand in the way of your dreams
What good is the wind blowing in a blue sky to a bird without wings
I meant it when I said it I swear it but things change and I can't pretend
That I could someone how live without you no matter what I say

"[Chorus]"

I just can't turn around walk away
Give it up without a fight love won't let me say goodbye
After all this time love won't let me

Alot of people looking around trying to find out where they're at
Sometimes it takes closing your eyes to see what you really have
And we have it I know it I feel it
But I hate to think that I'm standing in your way
And though I tried to step aside
No matter what I do

"[Chorus]"

I'll whatever I gotta do
Just tell me you don't want me to
Turn around walk away
Give it up without a fight love won't let me

Turn around walk away
Give it up without a fight love won't let me
Don't let me say goodbye after all this time
Love won't let me

Turn around walk away
Give it up without a fight love won't let me

Love won't let me
