

# Jason Mraz, Dead End

say easily with me  
well i show affection  
but it's creeping up  
creeping up on me  
in another direction  
i love a ride  
and i know someday i'll die  
so i try to ask no questions  
no questions why  
but the weary one, lord it's me  
do you think it's obsession  
the smoke will find you a choker  
that matches your coat  
not fit to be tied  
the mirror  
it makes it all clearer  
as you stand alone and can see your behind  
in the mirror you can see your behind

well they tried it  
and they like to say nobody would believe this  
well they tried it  
and they like to say well nobody would ever achieve it  
the way you stayed up locked away up  
keeping the flame for yourself  
the way you played it out  
pushing the blame of  
reaping the fame for yourself  
oh, it's a it's a dead end  
it's a dead end day  
it's a dead and lonely day  
said a day  
it's a dead end  
it's a dead end day  
it's a dead and lonely day  
and it's a long way  
a long way down  
sing it again  
and it's a long, long way  
said a long, long way, long way down  
too long for me now  
oh sing it out, oh sing it out

change is coming baby  
don't be startled lady  
every once in awhile they do it again  
you're gonna shake it, shake it  
you know you wanna take it  
back to where you once belonged  
said back beneath the sheets  
and between the pillow cases  
and the snake he races out  
and then he tangles into your hair  
oh, funny the fruits you choose  
oh the time it takes the words you lose  
and it all goes back to rotation  
over the back of your hand  
said the back of your hand  
the map is your hand  
said the back of your hand  
well the map is your hand  
said the map is your hand

it's the back of your hand  
said the back  
you better step they told him  
the back as you can

it's a long, long way  
and it's a long, long, long way  
and it's a long, long, long way  
long way down  
so stop your whining all the time  
and don't you find a little secret to yourself  
well it always saved your life  
and start listening to the words  
that you've heard  
no one else, but yourself  
will agree with you more  
that it's a long, long way  
it's a long, long way  
it's a long, long way  
and it's a long, long  
and it's a long, long damn song  
it's a long, a long, way down  
sing it again  
and it's a long, long way down  
said it once, say it once again  
said it's a long, long, way down  
oh say  
oh say  
oh it's a dead end  
it's a dead end day  
it's a dead and lonely day  
said a day  
it's a dead end  
it's a dead end day  
it's partly over past day, but the night, ooh but the night
