

Jason Mraz, I'm Yours (Demo)

Well you dawned on me and you bet I felt it
I tried to be chill but you're so hot that I melted
I fell right through the cracks
and now I'm trying to get back
Before the cool done run out
I'll be giving it my bestest
Nothing's going to stop me but divine intervention
I reckon it's again my turn to win some or learn some

I won't hesitate no more, no more
It cannot wait, I'm yours

Well open up your mind and see like me
Open up your plans and damn you're free
Look into your heart and you'll find love love love
Listen to the music of the moment maybe sing with me
A I peaceful melody
It's your God-forsaken right to be loved love loved love loved

So I won't hesitate no more, no more
It cannot wait I'm sure
There's no need to complicate
Our time is short
This is our fate, I'm yours

I've been spending way too long checking my tongue in the mirror
And bending over backwards just to try to see it clearer
My breath fogged up the glass
And so I drew a new face and laughed
I guess what I'm saying is there ain't no better reason
To rid yourself of vanity and just go with the seasons
It's what we aim to do
Our name is our virtue

I won't hesitate no more, no more
It cannot wait I'm sure
No need to complicate
Our time is short
It can not wait, I'm yours

Well no no, well open up your mind and see like me
Open up your plans and damn you're free
Look into your heart and you'll find love love love love
Listen to the music of the moment come and dance with me
A I one big family (2nd time: A I happy family)
It's your God-forsaken right to be loved love love love

I won't hesitate no more
Oh no more no more no more
It's your God-forsaken right to be loved, I'm sure
There's no need to complicate
Our time is short
This is our fate, I'm yours

No I won't hesitate no more, no more
This cannot wait I'm sure
There's no need to complicate
Our time is short
This is our fate, The sky is yours...
