

Jason Mraz, I Melt With You

Moving forward using all my breath
Making love to you was never second best
I saw the world thrashing all around your face
Never really knowing it was always mesh and lace

I'll stop the world and melt with you
You've seen the difference and it's getting better all the time
There's nothing you and I won't do
I'll stop the world and melt with you

You should know better
Dream of better lives the kind which never hate
You should see why
Dropped in the state of imaginary grace
You should know better
I made a pilgrimage to save this humans race
You should see why
What I'm comprehending a race that was long gone by

I'll stop the world and melt with you (let's stop the world)
You've seen the difference and it's getting better all the time
There's nothing you and I won't do (Let's stop the world)
I'll stop the world and melt with you

The future's open wide (The future's open wide)
The future's open wide

hmmm hmmm hmmm
hmmm hmmm hmmm hmmm
hmmm hmmm hmmm
hmmm hmmm hmmm hmmm

I'll stop the world and melt with you (Let's stop the world)
You've seen the difference and it's getting better all the time
There's nothing you and I won't do (Let's stop the world)
I'll stop the world and melt with you (Let's stop the world)
I'll stop the world and melt with you (Let's stop the world)
I'll stop the world and melt with you (Let's stop the world)
You've seen the difference and it's getting better all the time
There's nothing you and I won't do (Let's stop the world)
I'll stop the world and melt with you (Let's stop the world)
I'll stop the world
I'll stop the world
