## Jason Mraz, Little You&i

words by jason mraz & amp; ariel quirolo music by jason mraz

you close your eyes you say goodnight in your own special way you rest your head and you rest you there you go so fast, so fast asleep there you are without a care when or where but there you are I spiraling spaces tangled up in moments of touching time trying to find some somewhere sleeping somewhere in line, tears beside and we're gonna weep in between the sleep until we float away into broad we would sell our souls to the devil if he promised us hell it's something we already know so would sell our souls to the devil if he promised us hell it's something we already know so would sell our souls to the devil if he promised us hell it's something we already know so would sell our souls to the devil if he promised us hell it's something we already know so would sell our souls to the devil if he promised us hell it's something we already know so would sell our souls to the devil if he promised us hell it's something we already know so would sell our souls to the devil if he promised us hell it's something we already know so would sell our souls to the devil if he promised us hell it's something we already know so would sell our souls to the devil if he promised us hell it's something we already know so would sell our souls to the devil if he promised us hell it's something we already know so would sell our souls to the devil if he promised us hell it's something we already know so would sell our souls to the devil if he promised us hell it's something we already know so would sell our souls to the devil if he promised us hell it's something we already know so would sell our souls to the devil if he promised us hell it's something we already know so would sell our souls to the devil if he promised us hell it's something we already know so would sell our souls to the devil if he promised us hell it's something we already know so would sell our souls and the sell of the promised us hell it's something we already know so would sell our souls are sold to the sell of the promised us hell it's sold to the sell of the se
