

# Jason Mraz, Love Is Real

Lyrics by Bright Eyes

love is real  
it is not just in novels or the movies  
it is fact  
and it is standing here  
right in front of you  
so if you just open your eyes  
oh what a sweet discovery  
there is hope and there is joy  
and there is acceptance  
so let all the light that collects on your plants  
keep you warm, make you smile  
and i will be there with this pen in my hand  
to record all the while  
you'll be laughing so loud  
that the house would shake with sound  
and everything will be as new as the day it was found

oh, love is real  
it is not just in long distance commercials  
or something that you thought you felt  
back in high school  
so i will turn black and white  
become that horoscope you're reading  
it predicts that something good is on its way  
oh, and i'll send you all the world, green and blue in a box  
through the mail  
you can open it up  
hold it right in your hand  
and be glad that it's there  
and be glad that you're there  
now you can feel all the knots in your stomach  
they start to untie  
and suddenly it's not so hard to say you're alright

oh, love is real  
it is not just in poetry or stories  
it is truth and it will follow you  
everywhere you go from now on  
so if you just cast off your doubts  
then your lips would answer for you  
oh my darlin when you smile  
it is like a song  
and i can hear it now  
an i can hear it now  
i can hear it now  
i can hear it now  
and i can hear it now  
i can hear it now  
i can hear it now  
i can hear it now  
i can hear it now  
i can hear it now  
i can hear it now  
i can hear it now  
i can hear it now  
i can hear it now  
i can hear it now  
and i can hear it now  
i can hear it now  
i can hear it now  
i can hear it now  
i can hear it now  
i can hear it now

i can hear it now  
i can hear it now  
sing i can hear it now  
i can hear it now  
i can hear it now  
i can hear it now  
i can hear it now  
i can hear it now
