

# Jason Mraz, Love Someone

Love is a funny thing  
Whenever I give it ? it comes back to me  
And it?s wonderful to be giving with my whole heart  
As my heart receives your love

Oh, ain?t it nice this life we got each other  
I am right beside you  
More than just a partner or a lover,  
I?m your friend

When you love someone  
Your heartbeat beats so loud  
When you love someone  
Your feet can?t feel the ground  
Shining stars all seem to congregate around your face  
When you love someone  
It comes back to you

And love is a funny thing  
It?s making my blood flow with energy  
And it?s like an awakened dream  
Oh what I?ve been wishing for is happening  
And it?s right on time

Oh ain?t it nice tonight we got each other  
I am right beside you  
More than just a partner or a lover  
I?m your friend

When you love someone  
Your heartbeat beats so loud  
When you love someone  
Your feet can?t feel the ground  
Shining stars all seem to congregate around your face  
When you love someone

When you love someone

I gonna give myself to love tonight  
I'll lift you up to touch the moonlight  
And we will savor every second we  
Spend together you and I will

We're gonna give ourselves to love tonight  
Lifting up to touch the starlight  
And we will savor every second we  
Suspend together you and I will  
You and I will, you and I will

When you love someone  
Your heartbeat beats so loud  
When you love someone  
Your feet can?t feel the ground  
Shining stars all seem to congregate  
Around your face when you love someone  
When you love someone  
It comes back to you
