

# Jason Mraz, Make It Mine

Wake up everyone  
How can you sleep at a time like this  
Unless the dreamer is the real you  
Listen to your voice  
The one that tells you to taste past the tip of your tongue  
Leap and the net will appear

I don't wanna wake before  
The dream is over  
I'm gonna make it mine  
Yes I... I know it  
I'm gonna make it mine  
Yes I'll make it all mine

I keep my life on a heavy rotation  
Requesting that it's lifting you up  
Up up and away  
And over to a table at the gratitude cafe

And I am finally there  
And all the angels they'll be singing  
Ah la la la ah la la la I la la la love this

Well I don't wanna break before  
The tour is over  
I'm gonna make it mine  
Yes I... I'm alone and  
I'm gonna make it mine  
Yes I'll make it all mine

Timing's everything  
and this time there's plenty  
I am balancing  
Careful and steady  
And reveling in energy that everyone's emitting

Well I don't wanna wait no more  
Oh i wanna celebrate the whole world  
I'm gonna make it mine  
Oh yes, I'm following your joy  
I'm gonna make it mine  
Because I... I am open  
I'm gonna make it mine  
That's right... I will show it  
I'm gonna make it all mine  
Gonna make, gonna make, gonna make, gonna make it, make it, make it mine  
All mine  
Yes I'll make it all mine
