

# Jason Mraz, Not So Unusual

This is the most unusual story of a most unusual girl  
she's the paint in my picture of a most unusual world  
she can crawl out a frame while she's hanging on the wall  
and she's calling my name, she's most unusual

she is, she's not so usual oh oh oh no she' don't  
she's mostly a ghost, the way she watches over me,  
she complains when i smoke,  
but then u do the same to me,  
she's controlling my brain activity  
knowing when i go to sleep  
she'll catch me when i'm falling off,  
she's most unusual

yah she is, she's the most unusual oh oh,  
there she goes, she's most unusual!  
she's not so hooked on her jobs  
like i thought that she was  
and never sucking on the lime  
and hardly sipping on the wine  
and despite of her bi-polar roller coaster ring,  
i think i can trust  
that she'll keep me singing differently  
and that's fine  
cause she's with me now most all of the time  
trying and saving my life,  
thinking not of her own  
and always kissing me good night  
when i just need to be alone  
she's so sweet so discrete,  
she's exactly what i need,  
not even make believe,  
no...not so usual

she's not so usual  
not too practical either be  
not so mystical and not so magical  
she's not so usual oh oh she's a natural  
oh oh she's not so, usual  
oh oh, oh oh oh she wants to chew me up  
watch out boy's she'll chew you up
