

# Jason Mraz, Sleeping To Dream

And I

I'm dreaming of sleeping next to you and feeling like a lost little boy in a brand new town  
I'm counting my sheep and each one that passes is another dream to ashes  
And they all fall down.

And as I lay me down tonight  
I close my eyes  
What, what a beautiful sight

[Chorus:]  
Sleeping to dream about you  
And I'm so tired  
Of having to live without you  
But I don't mind  
Sleeping to dream about you and I'm so tired

I found myself in the riches  
Your eyes, your lips, your hair and you were everywhere  
I woke up in the ditches, I hit the light and I thought you might be here  
But you were nowhere (you were nowhere)  
Well You were nowhere

And as I lay me back to sleep  
Lord I pray that I can keep

[Repeat Chorus]

It's just a little a lullaby to keep myself from crying myself to sleep at night  
Oh just a lullabye to keep from crying myself to sleep  
Oh just a, just oh, just a little lullabye,

Sleeping to dream about you  
And I'm so tired  
Of having to live without you  
And I'm so tired

[Repeat Chorus]

Well I'm so, I'm tired  
I'm falling, I'm so tired, I'm so tired
