Jason Mraz, The Woman I Love

Maybe I annoy you with my choices Well, you annoy me sometimes too with your voice But that ain't enough for me To move out and move on I'm just gonna love you like the woman I love

We don't have to hurry You can take as long as you want I'm holdin' steady My heart's at home With my hand behind you I will catch you if you fall Yeah I'm gonna love you like the woman I love

Sometimes the world can make you feel You're not welcome anymore And you beat yourself up You let yourself get mad And in those times when you stop lovin' That woman I adore You can relax Because, babe, I got your back Uh, I got you Uh, Yeah I don't wish to change you You've got it under control You wake up each day different Another reason for me to keep holdin' on I'm not attached to any way you're showing up I'm just gonna love you like the woman I love Yeah I'm gonna love you Oh, Yeah I'm gonna love you 'Cause you're the woman I love
