

# Jason Mraz, Who Needs Shelter

Good-day sunlight  
I'd like to say how truly bright you are  
You don't know me but I know you  
You're my favorite star  
Follow you I will so lets get moving

Who needs shelter when the mornings coming?  
Absolutely there's no one  
Who needs shelter from the sun?  
Not me, no. not anyone.

By your clock the cock rooster crows  
Then off to work where everybody goes  
Slow, But eventually they get there  
Picking up the day shift back where all left off  
Confined and pecking at relationships  
You know it's only a worthless piece of shit

Who needs shelter when the mornings coming?  
Absolutely there's no one  
Who needs shelter from the sun?  
Not me, no. not anyone.

I'd sleep it all away but the sun wont let me  
I'd miss those lovely days of summer

Good-day sunlight  
I'd like to say how truly bright you are  
You don't know me but I know you  
You're my favorite.
