

# Jax Jones, Where Did You Go (feat. MNEK)

Oh, my love, where did you go?  
Where did you go now? I wanna know  
With all my love, where did you go now?  
Where did you go now? I wanna know

Where did you go?  
With my love, with my love  
Where did you go?  
With my love, with my love (Oh, oh, oh)

You just have to walk in the place  
And all eyes (And all eyes) are on you (Are on you)  
You could put a smile on your face  
And you'd light up the room

But then you left me dancing on the floor alone  
And now the DJ's calling and all the lights are on  
You see, I tried to find you, but words can't describe you  
Baby only one nights ain't enough

Oh, my love, where did you go?  
Where did you go now? I wanna know  
With all my love, where did you go now?  
Where did you go now? I wanna know  
[Post-Chorus]  
Where did you go?  
With my love, with my love  
Where did you go?  
With my love, with my love

You're so beautiful, you're a star  
Light the world on fire wherever you are  
You'll always be the one who got away (Got away)  
And now I can't forget you, how could I let you?

Leave me dancing on the floor alone  
And now the DJ's gone and all the lights are on  
You see, I tried to find you, but words can't describe you  
Baby only one nights ain't enough

Oh, my love, where did you go?  
Where did you go now? I wanna know  
With all my love, where did you go now?  
Where did you go now? I wanna know

Where did you go?  
With my love, with my love  
Where did you go? (Where did you go my love?)  
With my love, I wanna know  
Where did you go? (Where did you go? Where did you go?)  
With my love, with my love  
Where did you go? (Where did you go? Where did you go?)  
With my love, with my love  
Where did you go?
