

Jax Jones, You Don't Know Me (ft. RAYE)

Time is money
So don't through my mind
See me out with my girls
I'ma babe a good time

Step back with your chit-chat
You're killing my vibe
See I can't get too much of good things
Swear me I'ma dress up in the finest things
Please hold your tongue
Don't say a damn think

Don't act like you know me
like you know me
I'm not your hommie
not your hommie
Don't act like you know me
like you know me
You don't know me

I mean we can throw the shapes
