

# Jay J', Body To Body

Yeah mmm  
Girl just listen  
To what I'm about to say yeah  
I've got a little fire  
come and put it out baby  
And If you're still scared  
I don't really care  
Cause if you wanna be with me  
You gotta take a risk  
Come on baby

CORUS:  
My body, your body  
Get your hands all over me  
My body your body  
Roll on top of me  
And the rest you'll see  
Come on baby yeah  
Oooooowoowoo

Just listen to the words I say  
I don't wanna play no game  
Just listen to your heart baby  
And I know you will stay with me  
Look at me that way  
Are you here to stay?  
If you're watching  
That will make me feel this way  
You have to choose some day  
Don't wait too long baby  
If you don't know what you want, I don't want you here with me

CHORUS:  
My body, your body  
Get your hands all over me  
My body your body  
Roll on top of me  
And the rest you'll see  
Come on baby yeah  
Heehee  
It's not cuz you're hot and give me all you got  
That I am gonna stay with you forever yeah

CHORUS x3:  
My body, your body  
Get your hands all over me  
My body your body  
Roll on top of me  
And the rest you'll see  
Come on baby yeah
