

# Jay Sean, So High

Cause I'm So High Ryt Now (ohwoooo)  
I'm So High Ryt Now (ohwoooo)

Somebody Shot Me, Ah...  
Now I'm Never Gonna Feel The Same  
It's Really Got Me, Ah...  
And It's Running Off Through My Veins  
Since Then I Can Feel My Heart Start Beating Out Of Time  
When The Room Keeps Spinning In My Mind  
There's A Smoke Machine Inside My Eyes  
It's Controlled Long Time Ago

And All I Know Is That,  
Either I'm In Love  
Or Had A Little Bit Too Much

Cause I'm So High Ryt Now

Either I'm In Love  
Or You Don't Have To Go

Cause I'm So High Ryt Now (ohwoooo)  
I'm So High Ryt Now (ohwoooo)  
I'm So High Ryt Now Now Now  
I'm So High Ryt Now

You Make Me So High  
So High I Could Fly  
So Good Why Ask Why  
Too Much Of You Babe  
I Don't Need Another Lifeline

Ohh, You Feel So Good Yeah  
Loving You Is Like Suicide

And I Can Feel My Heart Start Beating Out Of Time  
When The Room Keeps Spinning In My Mind  
There's A Smoke Machine Inside My Eyes  
It's Controlled, Long Time Ago  
And All I Know Is That,  
Either I'm In Love  
Or Had A Little Too Much

Cause I'm So High Ryt Now

Either I'm In Love  
Or You Don't Have To Go

Cause I'm So High Ryt Now  
Now Now Now Now Now  
Now Now Now Now Now  
Now Now Now Now Now

Cause I'm So High Ryt Now  
I'm So High Ryt Now

I'm So High Ryt Now

Either I'm In Love  
Or Had A Little Bit Too Much

Cause I'm So High Ryt Now

Either I'm In Love

Or You Don't Have To Go

Cause I'm So High Ryt Now (ohwoooo)

I'm So High Ryt Now (ohwoooo)

I'm So High Ryt Now...
