Sittin' in the living room on the floor

Hunger pain got me on some migraine shit

But I'm a maintain

And my homies in the same boat going through the same thing

Ready for our cake, steady plottin for the paper

We been living in the dark since April

On the candle, gotta get a handle

My homie got a 25 automatic added to the gamble

Nigga get the phone book look up in the yellow page

Lemme tell you how we fend to get paid

We gonna order pizza and when we see the driver

We gonna stick the 25 up in his face

Lets ride, stepping outside like warriors

Head to the notorious Southside

One weapon to the four of us

Hiding in the corridor until we see the Dominos car headlights

White boy in the wrong place at the right time

Soon as the car door open up he mine

We roll up quick and put the pistol to his nose

By the look on his face he probably shitted in his clothes

You know what this is, it's a stic up

Gimme the do' from your pickups

You ran into the wrong niggaz

We running down the block hot with these pizza boxes

So we split up and met back at the apartment

[Chorus]

Hell yeah (yo ain't you hungry my nigga?) Hell yeah (you wanna get paid my nigga?)

Hell yeah (ain't you tired of starving my nigga?)

Hell yeah (well lets ride then)

Hell yeah, Hell yeah

[Verse - M-1]

I know a way we can get paid

You can get down but you can't be afraid

Let's go to the DMV, and get a ID

The name says you but the face is me

Now it's your turn take my paper work

Like 1, 2, 3 lets make it work

Then, fill out the credit card application

And it's gonna be bout 3 weeks of waiting

For American Express, Discovery Card

Platinum Visa, Master Card

Cause, when you was spooked as shit then we was targets

Now we just walk right up and say charge it

To the game we rocking brand names

Well known at Department Store chains

Even got the boys in the crew a few things Po Po never know who to true blame

Store after store you know we kept rolling

Wait two weeks report the car stolen

Repeat this cycle like a like a laundry mat Like a glitch in the system it's hard to catch Coming out the mall with the shopping bags We can take it right back then get the cash Yeah, get a friend and then do it again Damn right that's how we paid the rent (hell yeah)

[Bridge - repeat 2x]
