

# Jay-Z, Hovi Baby

Yes, yes YEP!

Welcome to the.. Jay-Z extravaganza  
I'd like to introduce my band right now  
Just Blaze and the Blazettes, hehe  
Right now I want you to give the drummer some  
No ma really, give the drummer some  
Uhh

Touch the untouchable, break the unbreakable  
Shake the unshakeable (it's Hovi baby)  
Yeah, ch-chi-uh, uh-ch-ch-uh, un-breakable  
Rock the unrockable (it's Hovi baby)

[Jay-Z]

Follow the flow, look  
They say a midget standin on the giant's shoulder can see much  
further than the giant.. (the giant..)  
So I got the WHOLE rap world on my shoulder they tryin to see  
further than I am.. (than I am..)  
And I have been tryin to be patient with they preoccupation  
with David and Goliath.. (Goliath..)  
But sooner or later, that patience gonna run it's course  
and I'm forced to be a tyrant.. (be a tyrant..)  
But bein tyrant, comin through your environment  
Iron mask, nigga iron gas, nigga I am back  
With "The Team," no I in that  
R.O.C., y'all not eyein that  
Y'all don't see, clearly cause the reign ain't gone  
&"The Dynasty," no not Ming but Shawn's  
Dame careems, nigga it's the gangsta team  
Stop your run, one of the reasons that they call us gangrene  
The other reason, we got a gang of green  
If there's better at gettin cheddar that remains to be seen, nigga

WOOOOOOOOOOOOOOOOOOOOOOOOOOOO!!!!!! Yeah, yeah

[Chorus]

Can't touch the untouchable, break the unbreakable  
Shake the unshakeable (it's Hovi baby)  
Can't see the unseeable, reach the unreachable  
Do the impossible (it's Hovi baby)

Can't move the unmoveable, stop the unstoppable..

[Jay-Z]

Yeah, look  
I'm so far ahead of my time, I'm bout to start another life  
Look behind you, I'm bout to pass you twice  
Back to the future and gotta slow up for the present  
I'm fast, niggaz can't get past my past  
How they propose to deal with my perfect present?  
When I unwrap "The Gift & the Curse" in one session  
Ain't no livin person can test him  
Only two restin in heaven can be mentioned in the same breath as him  
Seven straight summers, critics might not admit it  
But nobody in rap did it, quite like I did it  
If you did it I done it before, you get I had it  
Got mad at it and don't want it no more  
And that goes for everything from flippin that raw  
Flippin whores, flippin vocal chords, don't get it twisted  
Get it right, did different, did it better, did it nice  
Did the impossible then did it twice (get it right)

[Chorus]

[Jay-Z]

Yup! Hovi's home, the global phone  
The world is back in order the number one rap recorder is back  
You cats overfelt yourself  
You couldn't help yourself, now witness the reel for reel  
In my absence cats get, absent-minded  
Now it's time to rewind and remind 'em  
why I'm in the position that I am  
changin the game, my game could nail Madonna  
Well after I'm gone, they'll honor  
history in the makin, Pistol Pete  
leave competition shakin without missin the beat  
Chasin the hi-hat all over the track  
The snare is scared of the air in here, BOOM!  
And plus I get paper dog, don't let me forget  
The watch face so blue like it's holdin it's breath  
Can't see me skill for skill or check for check  
It's the bow tie flow dog, I bring it to your neck  
Live and correct I will bring it to your set  
I got now, I don't care who got next  
Rapper slash exec, Kordell Stewart  
Your flow all y'all usin is mine, you're all useless  
You ain't a factor, who are you foolin?  
You all are faggots, you takin it backwards (takin it backwards)  
I'm tryin to progress with this rap shit  
Nigga, nigga your whole career is a accident  
Who was gassin 'em? (Fuck outta here!)

[Chorus]
