## [Verse Three:]

Groupies I leave them all fucked Niggas - all struck Your single was 99 cents, mines was 4 bucks Last year, when niggas thought it was all up But this year I've done it again, jigga!
What the fuck
Nigga stop whining, jigga, still shining
Niggas kept complaining so I copped more diamonds
Rock more Versace, ain't nothing sweet
I still throw t'ree in your body, fleeing the party
Y'all can't go with me, nope, flow with me
Bet 50, not dollars either I brought some dough with me

And blow holes in your weak niggas theories
It's funny how one verse can fuck up the game
You bought a 4.0 you better get your change
Ain't no platinum in those Cartiers, switch your frame
Ain't no manicures on board, then switch your plane

[Chorus]
