It's Kid Capri and Jay-Z, It's Kid Capri and Jay-Z  
Cause I'm Like That yo ! Cause I'm like that yo !

[Verse One: Jay-Z]

As a young and dumb man, gun in the waist  
Sold crack to those who couldn't take the pain  
And had to numb it with baste  
Couldn't drink the henny straight, I needed somethin to chase  
I needed something to chase  
Nowadays I throw shots back, leavin nothin to waste  
Life is like a treadmill, niggas runnin in place  
Gettin nowhere fast, a whole year done past  
I vowed to never stop winin, 'til the earth stop spinnin  
Rock hot lenin, cop hot cars and hot women  
If it's not him then you got it confused, y'all not remembering,  
My motto is simply I will not lose, abide by the block rules,  
I buy my glock used, wit bodies on it, let me know anybody want it ?  
I'm raised, illrational, way misunderstood,  
If you ain't live like I live then run with the hood  
I done what i could, to come up with this paper 'til this day still  
Run with the hood, guess it's part of my nature, if hell awaits ya ?  
Nigga I'm coming with the razors, still flashin ya shit  
Try to pass me in a six, tight classy on the wrist  
Every bit of 30 karats, this is not a game  
This isn't why I came, make these words find a spot on your brain  
And burn, then I recycle my life  
I shall return

[Chorus: Female voice and Jay- Z]

[Woman]

How tight is your flow ?

[Jay-Z]

Cause I'm like that yo !

[Woman]

How right is your dough ?

[Jay-Z]

Cause I'm like that yo !

[Woman]

How white is your blow ?

[Jay-Z]

Cause I'm like that yo !

[Woman]

Only writers you know

[Jay-Z]

Cause I'm like that

[Verse 2: Jay-Z]

I'm a hop, skip, a jump, from rippin the pump  
Spittin a couple of curse words, and hittin you chump  
Shit, I get digits in lumps, I'm a motherfucking problem is this what you want  
?  
Overachiever, I love chicks that puff chiva,  
And reefer paper, I hate the one's that blow up ya beeper  
Cause I, go in ya deeper, I only bone divas  
Impregnate the world when I "cum" through your speakers [ha ha]  
Fuck hot my records got the fever  
Niggas kick dirt, get ya whole block swept up  
I creep up when the beef heats up, caught him with his feet up  
And shoes off, bout to snooze off  
Hatin, cause you can't turn the booze off  
You dudes is too soft, when I fuck with you all  
I might bark your ex, and spit at the locks  
But, other than that I ain't even fucking with cats  
Just me tied B.I., thug it like that, me,dame and biggs  
What's fuckin with that ?  
Y'all can never diss Jigga, get nothing for that  
Other then a couple slugs in ya back,[huh huh]  
Rappers y'all runnin around, like I won't gun ya down  
Last nigga that fronted, two spun him around  
Lord, except this offer here's somethin for your crown  
I admit no malice, I just met his challenge, In one

[Chorus : Repeat 3x]

[Jay-Z: Repeat 2x til fade]

Girls and guns, all i want  
stock exchange, rocks and thangs
