

# Jay-Z, Miss You (Remix)

What's up baby girl! (Ho!)  
Thought I had to talk to you again, missing you (Hey, ey, ey, ey)  
Tim is missing you Missy's missing you  
Rashad is missing you your mom is missing you (N-n-n-n-no no no)  
Your pop is missing you Dame is missing you damn we missing you whooh!  
All we listen to is all the different yous  
Four page letters in addition to  
Have you ever loved somebody used to get the party poppin  
We used to party a lot, we used to be in the Hampton's partied a lot  
We was The Breakfast Club you was a part of the ROC  
We used to make up special names for the food we ate  
Remember serial pie one of your favourite plates (I miss you)  
Well Dame told me tell you he's doin well  
Due to the circumstances, it could've been Bellevue  
But I ain't got to tell you, you lookin over us  
Our little angel, but you know what  
Brooklyn's missing you Detroit is missing you  
New Orleans missing you Philly's missing you  
(It's been too long and I'm lost without you)  
Your uncle's missing you your families missing you  
Your fans is missing you the galleries missing you  
Damn we missing you  
(It's been too long and I'm lost without you)  
Now Star is mad I won't grant him a interview  
Now he's dissing me cause he dissed you  
Can you believe the nerve of this dude?  
Cause of your memory I won't bring in the pistols  
(Wondering if your the same and who's been with you)  
But he got issues enough of that lame  
I never seen pain like your parents pain  
But I know God protecting you  
You used to read Seed Of The soul I know God perfecting you (I miss you)  
All the estrogens the darker texture you are the more intellectual  
You are so professional our little purple star  
Too good for earth you are (I miss you)  
(Now Im sittin here)  
Houston's missng you L.A.'s missing you  
DC's missing you Chicago's missing you  
(It's been too long and I'm lost without you)  
Kidada's missing you Shock is missing you  
Colleen is missing you Tiny is missing you  
(It's been too long and I'm lost without you)  
By the way, Big we missing you Pac we missing you  
We feel your presence just not in the physical  
All across the world, blocks is miserable  
Y'all left a void it's a lot of little yous  
But they not original and they not identical  
They just studied your flows and they watched your interviews  
That's when hip hop if it's not ten of you  
Then it gotta be more, y'all left your paws  
Footprints on the game hood ain't been the same  
Feeling ain't been in music hooks ain't been the same  
But I'm doing what I can man and try to follow y'all memory lane man  
Big you be ashamed to see New York gangbang  
Pac you feel the same thing they use your name in vein  
But I guess that's the issue  
And it proves how much, niggas really miss you  
Pun we missing you Big L we missing you  
Left Eye we missing you Jay we missing you  
Jam Master Jay, Freaky Tah, Scott La Rock, the list goes on..  
The world is missing you the hood is missing you  
(Wondering if your the same and who's been with you)  
Nah mean, miss y'all (I miss you)  
This goes, to the memory of all our fallen soldiers

Soldiers and soldgettes all across the world (I miss you)  
We gon' hold y'all down, y'all live in our memories forever  
We never gon' let y'all go  
I, can't, breathe, no, more (We not remembering y'all death though!)  
Since you went away (We celebrating your life)  
I dont really feel like talkin, don't wanna hear you love me (Nah mean!)  
Baby (Yes!) do you understand me (Yes!)  
I can't do a thing without you (Damn we missing you)  
Wondering if your the same and who's been with you, I miss you  
Wondering if your the same and who's been with you, I miss you
