Uh-huh uhh, uhh, uh-uhh

Ladies and gentlemen.. H, to the izzo  
I wanna thank everybody out there for they purchase  
I surely appreciate it - whoo!  
What you about to witness is my thoughts  
Just my thoughts man - right or wrong  
Just what I was feeling at the time, uhh  
You ever felt like this, you vibe with me  
Walk with a nigga man - just vibe with me

Yo, gather round hustlers that's if you still livin  
And get on down, to that ol' Jig rhythm  
Here's a couple of jewels to help you get through your bid in prison  
A ribbon in the sky, keep your head high  
I, Young 'Vito, voice of the young people  
Mouthpiece for hustlers I'm back motherfuckers  
Your reign on the top was shorter than leprechauns  
Y'all can't fuck with Hov', what type of X y'all on?  
I got great lawyers for cops so dress warm  
Charges don't stick to dude he's teflon  
I'm too sexy for jail like I'm Right Said Fred  
I'm not guilty, now GIMME back my bread  
Mr. District Attorney I'm not sure if they told you  
I'm on TV every day, where the fuck could I go to  
Plus - Hov' don't run, Hov' stand and fight  
Hov's a soldier, Hov' been fightin all his life so  
What could you do to me? It's not new to me  
Sue me; fuck you - what's a couple dollars to me?  
But you will respect me, simple as that  
Or I got no problem goin back  
I'm representin for the seat where Rosa Parks sat  
Where Malcolm X was shot, where Martin Luther was popped  
So off we go, let the trumpets blow  
And hold on, because the driver of the mission is a pro  
The ruler's back

Uhh, uh-huh uhh uhh  
I, am, BACK, niggaz - whoo! whoo! whoo! whoo!  
Yeah, yeah, yeah

Well in these times, well at least to me  
There's a lot of rappers out there tryin to sound like Jay-Z  
I'll help you out, here's what you do  
You gonna need a wide lens cause that's a VERR' big shoe  
And you got a couple of +Beans+ and you don't have a +Clue+?  
You situation is +Bleek+, I'ma keep it +Rell+ cause  
Fuckin with me, you gotta drop +Amil+  
Cause if you gonna cop somethin you gotta cop f'real  
Don't only talk it, walk like it - from the Bricks to the booth  
I can predict the future like Cleo the psychic  
You can't date skee-os and wife it (uh-uh)  
And you can't sell me bullshit, we know the prices  
So what your life is? We gon' roll  
'til the wheels fall off, y'all muh'fuckers check the tires  
Off we go, let the trumpets blow  
And hold on, because the driver of that Bentley is a pro
