

Jayco, Te Amare

[Jayco:]

Yo kiero k tu sepas k...

Como cualkier hombre...

He cometido mis errores...

(Rakim... & Ken-Y)

K el peor castigo ha sido...

(Jayco...)

De estar sin ti todo este tiempo

(Rakim... & Ken-Y)

(La Realeza...)

[Ken-Y:]

Quedate solo un minuto

Hablemos de otra cosa

K no sea de amor

No kiero hablar nada de lo k nos pasa

Hablando claro me ciento perdido...

(Jayco... !)

[Jayco:]

Se q para ti no es facil mirarme a la cara

Pero asi es la vida

Muxas veces cuando

El amor lastima

Y me ha tocado a mi lastimarte.

Y me voy... adios... ya me voy

Lo siento muxo y sufrire...

Pork a pesar q falle

[Coro:]

Yo te ame...

Yo te ame y Te amare

Te amare aunq falle

Pagare...

Con cada lagrima mi engano

Y por hacerte tanto dano...

Pagare...

[Ken-Y:]

Yo te ame... Te amare

Te amare aunq falle

Pagare...

Con cada lagrima mi engano

Y por hacerte tanto dano...

Pagare...

(La Realeza...)

[Jayco:]

Cuantas veces no estuviste a mi lado...

Cuantas noches dormi solo

Cuanto tiempo estuve sin sentir tus besos...

Hablando claro me sentia preso

Ya lo ves asi es la vida

Yo k te amo tanto... mas de lo q piensas

Tu no sabes cuanto me dolio fallarte

Pero en entre par de copas fui a buscarte...

[Ken-Y:]

Y tome... alcohol y te ame

En otro cuerpo yo te ame

Y me ahogaba en alcohol y te bese

Tus labios bese...

Y en otra boca te bese...

Yo te ame y con otra desperte...

[Coro: Jayco]

Yo te ame... Te amare

Te amare aunq falle

Pagare...

Con cada lagrima mi engano

Y por hacerte tanto dano...

Pagare... [x2]
[Rakim:]
Yo por mi error ya estoy pagando
Las consecuencias.Me encuentro solo
Y ahora sufro por tu ausencia...
En otro labios te he besado
Y me he dado cuenta, k no es lo mismo,
Lloro, y me hace falta tu presencia
A veces pienso k yo muero si no etas conmigo
K me duele saber k no me kieres ni de amigo
Y a veces siento k la vida no tiene sentido
K me perdone dios pork contigo estoy perdido...
[Ken-Y:]

Y tome... alcohol y Te ame
En otro cuerpo yo te ame
Y me ahogaba en alcohol y te bese
Yo te ame... Te amare
Te amare aun k falle
Pagare...

Con cada lagrima mi engano
Y por hacerte tanto dano...

Pagare... [x2]

I want you to know that
like every man
I've made my mistakes
That the greatest punishmet was
to be without you all this time
Stay for a moment
Let's talk about something else
and not about love
I dont want to talk about anything that's happening to us
Honestly, I feel lost
I know it's not easy for you to look at me
But life is like that
Many times when
love hurts
and it's my turn to hurt you
And I'm going. Goodbye.. I'm going
I'm really sorry, and I'll suffer
Because in spite of failing you
I loved you
I loved you and I will love you
I will love you in spite of failing you
I'll pay
With every tear my deceit
and for giving you so much pain
I'll pay
I loved you
I loved you and I will love you
I will love you in spite of failing you
I'll pay
With every tear my deceit
and for giving you so much pain

I'll pay
How many times you haven't been by my side
How many times I slept alone
How long haven't I felt your kisses
Honestly, I felt trapped
And you see, life is like that
I, who loves you so much.. more than you think
You don't know how much it hurts me to betray you
But after couple of drinks I went to look for you
I drank alcohol and I loved you
In another body I loved you
I drowned in alcohol and I kissed you
I kissed your lips
In other lips I kissed you
And I loved you, and woke up with another
I loved you
I loved you and I will love you
I will love you in spite of failing you
I'll pay
With every tear my deceit
and for giving you so much pain
I'll pay
I'm already paying for my mistake
The consequence is that I'm alone
And now I'm suffering for you're not here
I kissed you in other lips
And I realised it's not the same
I'm crying and I miss your company
At times I think I'm dying if you're not here
It hurts that you don't even want me as a friend
And at times I think life has no sense
let the God forgive me, I'm lost with you
