

# Jazmine Sullivan, Lions, Tigers & Bears

I'm not scared  
Of lions  
And tigers and bears  
(No I'm not)  
But I'm scared  
Of loving you  
I'm not scared  
To perform  
At a sold out affair  
(That's right)  
But I'm scared  
Of loving you  
Am I the only one  
Who thinks  
It's an impossible task  
Why it don't last?  
Is that too much to ask?  
Why do we love love  
When love seems  
To hate us?

Sorry if I sound  
So filled with gloom  
You say you care  
And I know you do  
But this is  
From my experience  
And my conclusion  
Only makes sense

Just cause I love you  
And you love me  
It doesn't mean  
That we're meant to be  
I can climb mountains  
Swim cross the seas  
But the most  
Frightening thing  
You and me

Most circumstances  
I know my fate  
But in this love thang  
I don't get the game  
Why does it feel  
Like those who give in  
They only wind up  
Losing a friend

Just cause I love you  
And you love me  
It doesn't mean  
That we'll ever be  
Fly cross the ocean  
Sing for the queen  
But the most  
Frightening thing  
Is you and me

I'm sure though  
I'm not sure  
But if we never try  
We'll never know  
It's better to have loved

Then not to loved at all

Not trying is worse  
Than to stumble and fall  
And if we do  
I'd rather it be with you  
Cause at least there  
Will be sweet memories  
Oh, I'm not scared
