

JB, Nothing Like Us

Ohh...Ohhh....uh...

Lately I've been thinkin',
Thinkin' bout what we had,
I know it was hard,
It was all that we knew, yeah

Have you been drinkin'?
To take all the pain away,
I wish that I could give you what you deserve...

'Cause nothing can ever,
Ever replace you.
Nothing can make me feel like you do, yeah.
You'd know there's no one
I can relate to,
I know we won't find a love that's so true...

There's nothing like us,
There's nothing like you and me,
Together through the storm.
There's nothing like us,
There's nothing like you and me,
Together, oh

I gave you everything, babe,
Everything I had to give.
Girl, why would you push me away? yeah
Lost in confusion,
Like an illusion,
You know I'm used to making your day...

But that is the past now,
We didn't last now,
I guess that this is meant to be, yeah...
Tell me, was it worth it?
We were so perfect.
But, baby, I just want you to see...

There's nothing like us,
There's nothing like you and me,
Together through the storm.
There's nothing like us,
There's nothing like you and me,
Together, oh

There's nothing like us,
There's nothing like you and me,
Together through the storm.
There's nothing like us,
There's nothing like you and me,
Together, oh...
