MOONLIGHT

</lyrics>

== Romaji ==

</lyrics>

Kokoro no pazuru kumutatetemo
Subete umeru ki ni narenai
Chikaku ni uru no ni tsunagaranai
Betsu ni akita wake ja nai kedo

Machi no kusunda neon
Kumo ni kakureta moon light

Ikasu mo korosu mo omae shidai
Hayaku tometekure metoronomu
Osokure hayakure kimochi shidai
Omoide subete nagasutete

Moshikashitara to wa kitai shidai
Hayaku tometekure metoronomu
Kogetsuita kono mi wa iyasenai
Yami ni hikari wo tsutsumasete

Hitomi no naka ni arawaretemo
Subete utsusu ki ni narenai

Karada ga furetemo tsutawaranai
Hohoemi ga yake ni sabishikute

Fumi ni yogitta gishin
Sudeni nakushita riaru

Kodoku wo kakushitemo imi ga nai
Hayaku tometekure metoronomu
Ima made no ai ni wa kui ga nai
Fuanna hibi kara nukedashite

Afureru namida ni wa tsumi ga nai
Hayaku tometekure metoronomu
Wasurerarenu yoru wa kiri ga nai
Kanawanu yume wo norikoete
