

# Jean-Michel Jarre, Little Boots, If..!

I like to talk with someone I know  
Who can listen  
I feel the wall  
Save and sound  
Save and sound

No distraction  
Interaction

..  
Face to face

No escaping  
Concentrating

..  
When we never try win the race

If, if we have a time  
And nothing on our mind  
Would run away with me?  
/2x

We're too busy,  
busy busy busy busy busy busy  
Saying nothing  
S busy busy busy busy busy busy  
Saying nothing

If, if we have a time  
And nothing on our mind  
Would run away with me?  
/2x

I want to talk to you  
I want to talk to you  
I want to talk to you

I like to talk  
I feel the wall

If, if we have a time  
And nothing on our mind  
Would run away with me?  
/2x
