

# Jean Shepard, If You Haven't You Can't Feel The

Have you ever lost someone just like I lost you  
Have you ever missed someone like I'm missing you  
Have you ever cried the whole night through  
If you haven't you can't feel the way that I do  
Don't tell me it's silly to sit here and cry you can't understand if I want to die  
Have you ever lost someone just like I lost you  
If you haven't you can't feel the way that I do

[ piano ]

Have you ever been cheated like you cheated me  
Have you ever been told someone's used to be  
Have you ever gone through just what I've gone through  
If you haven't you can't feel the way that I do  
Don't tell me it's silly...
