

# Jean Shepard, Leaving On A Jet Plane

My bags are packed I'm ready to go I'm standing here outside your door  
I hate to wake you up to say goodbye  
But the dawn is breakin' and it's early morn the taxi's waitin' he's blowing his horn  
Already I'm so lonesome I could cry  
So kiss me and smile for me tell me that you'll wait for me  
Hold me like you'll never let me go  
I'm leaving on a jet plane don't know when I'll be back again oh babe I hate to go

There's so many times you let me down so many times you've played around  
I tell you now that they don't mean a thing  
Every place I'll go I'll think of you every song I'll sing I'll sing for you  
When I come back I'll wear your wedding ring  
So kiss me and smile for me...

Now the time has come to leave you one more time let me kiss you  
Then close your eyes and I'll be on my way  
Dream about the days to come when I won't have to leave alone  
About the time I won't have to say  
Kiss me and smile for me...  
Hate to go
