

# Jebediah, Harpoon

This will take some explaining but I think you will agree  
There is no use pretending that there's hope for you and me

Chorus:

And I love her, but do you think she can see  
When I tell her, it's the end for you and me  
It was over, ever since you went and shot me

Like a harpoon  
Like a harpoon  
Like a harpoon in my heart....

Verse 2:

Yeah

I can handle the fighting, it's the affection I can't stand  
And I don't mind us talking, just don't try and touch my hand

Chorus:  
And I love her, but do you think she can see  
When I tell her, it's the end for you and me  
It was over, ever since you went and shot me

Like a harpoon  
Like a harpoon  
Like a harpoon in my heart....

Verse 3:

When you left I didn't want you back  
But now your gone so won't you come right back  
Come right back x 5

Chorus:  
And I love her, but do you think she can see  
When I tell her, it's the end for you and me  
It was over, ever since you went and shot me

Like a harpoon  
Like a harpoon  
Like a harpoon in my heart....

Why does it hurt  
Simple matters don't seem worth  
We're the same but it's not happening again

Chorus:  
And I love her, but do you think she can see  
When I tell her, it's the end for you and me  
It was over, ever since you went and shot me

Like a harpoon  
Like a harpoon  
Like a harpoon in my heart....

Like a harpoon  
Like a harpoon  
Like a harpoon in my heart....
