

Jebediah, Smiler

Smile when you want
And tell me you're happy
Laugh when you want
To tell me your true
Smile when you want
And tell me your happy
Laugh when you want
And tell me your through

I'm not happy
I'm not happy
I'm not happy

Smile when you want
And tell me your happy
Laugh when you want
To share your brew
Smile when you want
To make it all crappy
Laugh when you want
To tell me I'm through

I'm not happy
I'm not happy
I'm not happy

You know, you know
Tell me what's all about,
Tell me what's it all about
You know, you know
Tell me what's all about,
Tell me what's it all about
You know, you know
Tell me what's all about,
Tell me what's it all about
You know, you know
What's it all about?

Smile when you want
To tell me your happy
Laugh when you want
To tell me you're through
Smile when you want
To make it all sappy
Laugh when you want
To tell me we're through

I'm not happy
I'm not happy
I'm not happy

You know, you know
Tell me what's all about,
Tell me what's it all about
You know, you know
Tell me what's all about,
Tell me what's it all about
You know, you know
Tell me what's all about,
Tell me what's it all about
You know, you know
What's it all about?
