

# Jeff Beck Group, Sugar Cane

I love ya, love ya like sugar cane  
I, I love ya like sugar cane  
Strip it down, sure is sweet  
You keep on chewin till your dead on your feet  
I get high on your sugar cane  
Its the only thing baby that keeps me sane  
Its so nice to have you near  
Someone so close and so dear  
I, I love ya like sugar cane  
I, I, I, I love ya like sugar cane  
Strip it down, sure is sweet  
You keep on chewin till your dead on your feet  
Hey baby don't go away  
Its the only thing I really, I really want to hear ya say  
If you leave I could not stand the pain  
Give me more of that sweet sweet sugar cane  
I, I love ya like sugar cane  
I, I, I, I love ya like sugar cane  
I, I get high on your sugar cane  
Its the only thing baby that keeps me sane  
Its so nice to have you near  
Someone so close and so dear  
Baby, baby, baby, baby, baby, baby  
Sweet, sweet  
I get high, get high, get high, get high  
Sweet, sweet  
On your sweet, on your sweet, on your sweet sweet sugar cane  
Sweet, sweet
