

Jeff Buckley, Good morning little school girl

Good mornin' lil school girl,
Can I go home, can I go home with you?
Tell your mother and your father,
I'm a little school boy too
Woke up this mornin',
Woke up this mornin',
I didn't know what to,
I didn't know what to do
I didn't have no blues,
Baby, but I couldn't be satisfied
I'm gettin' me an airplane,
I'm gettin' me an airplane,
Get in my airplane
Gon' fly all oh-oh, gon' fly all over this land
I'm gonna find my little school girl,
Find her in the world somewhere
Good mornin' lil school girl,
Good mornin' lil school girl
Can I go home with, can I go home with,
Can I go home with you?
Tell your mother and your father,
Johnny little school boy too
Come be my baby, come be my baby,
I buy you a diamond, I buy you a diamond ring
You don't be my little baby,
I ain't gonna buy you a doggone ring
