

Jeff Deyo, Jesus, I Surrender

Here at your feet
I'll always be
With the angels
Crying holy
There's not one thing
That means as much to me as
You my God, as You my King

Here in the darkness
I lift my eyes to You
Your light comes shining through

(Chorus:)
Jesus, I surrender
I draw nearer, I fall down
Master, be my Savior
Be my shelter, be my God

There's no one else
Who can compare to you
The righteous One, the perfect Son

Here in this silence
I hear You speak my name
And I cry out to You
