

Jeff Healey, Goin' Up The River

(Chris Barber on vocals)

Goin' up the river, honey but I can't take you
I'm goin' up the river, honey but I can't take you
Nothing up there for a real nice gal to do

From Naches up to Greenville on to the Tennessee line
From Naches up to Greenville right on to the Tennessee line
Mmmm when we get in Memphis, everything gonna be fine
Here i am in Kansas city, eighteen, ten five
Here i am in Kansas city, eighteen, ten five

Lord they give you water here, tastes like cherry wine
And im going to Chicago, I won't be back till fall, lordy lord
I'm going to Chicago, I won't be back till fall
Lord if i find my good gal, I won't be back at all
Play the blues, yes
