## Jeff Healey, Someday Sweetheart

Now you told me that you love me dear And I believed in you You broke your vow and now somehow It seems im always blue But they'll come a day When you'll fall away You'll sit alone inside for me you're gonna cry For the days that have gone bad

Someday, sweetheart, You may be sorry For what you've done To my poor heart And you may regret Those vows that you've broken And the things that you did to me That made us drift apart

Oh, you're happy now, And you can't see how Those weary blues Will ever come to you; But as you sow, So shall you reap, dear; And what you reap Will gonna make you weep, Someday, sweetheart!

Someday, sweetheart,
Oh you're gonna be sorry, oh yes1
For what you done
To my poor heart;
And you may regret
Those vows that you've broken, oh-oh-oh!
And the things that you did to me
That made us drift apart.

Oh, you're happy now, And you can't see how Those weary blues Ever gonna come to you; But as you sow-ho-ho, So shall you reap, And what you reap Is gonna make you weep, Someday!

Come on baby,
Have a heart!
Don't you tell me
That we have to part.
You know I've loved you
From the start,
You'll rue the day,
And blue is the day
You break my heart
