

Jefferson Airplane, Pretty as You Feel

You're only pretty as you feel
Only pretty as you feel inside
You're only pretty as you feel
Just as pretty as you feel inside
When you wake up in the morning
Rub some sleep from your eye
Look inside your mirror
Comb your hair
Don't give vanity a second chance
No no no
Beauty's only skin deep
It goes just so far 'cause
You're only pretty as you feel
You're only pretty as you feel inside
Just as pretty as you feel
Now you're feelin' pretty
Now you're feelin' good
Now you're ready to face the world girl
Now you're feelin' good
Go out there and knock 'em silly girl
Go out there and show 'em how to thrill
'Cause you're only pretty as you feel
Only pretty as you feel
You're only pretty as you feel
Just as pretty as you feel inside
Feelin' so pretty, feelin' so pretty
Pretty mama.
