

# Jefferson Airplane, Won't You Try/Saturday Afternoon

Won't you try  
won't you try  
won't you try  
find a way to need someone  
find a way to see  
find a way to need someone and the sunshine will set you free  
won't you try  
won't you try  
won't you try  
with love before we're gone

saturday afternoon  
saturday afternoon  
when your head is feeling fine

you can ride inside our car  
I will give you caps of blue and silver sunlight for your hair  
all that soon will be is what you need to see, my love  
won't you try  
won't you try  
I do care that you do see  
Is it time to leave, my lady  
yes it is I know  
round about and everywhere sunshine instead of snow  
times can't change that what I say is true
