## Jefferson Airplane, Won't You Try/Saturday Afteri

Won't you try won't you try find a way to need someone find a way to see find a way to need someone and the sunshine will set you free won't you try won't you try won't you try with love before we're gone

saturday afternoon saturday afternoon when your head is feeling fine

you can ride inside our car I will give you caps of blue and silver sunlight for your hair all that soon will be is what you need to see, my love won't you try won't you try I do care that you do see Is it time to leave, my lady yes it is I know round about and everywhere sunshine instead of snow times can't change that what I say is true
