

# Jefferson Starship, Quit Wasting Time

Don't we go on living  
Like our lives come with some kind  
of guarantee  
Talking 'bout the future  
Like we'll see tomorrow's sunrise  
definitely  
Got no time for love today  
Don't notice love just seems to  
slip away

I don't want to end up thinking  
About how it could have been  
If our days were numbered  
Tell me would you love me then  
Could you say I love you  
Would you let it go unsaid  
Would we be wasting time  
If our time was limited

Seems to me that we  
Could treat each other so much  
better than we do  
I don't want to wait  
Till it's too late to let you know that  
I love you  
Let's treat each day like it's the last  
Make up for the time we wasted in  
the past

I don't want to end up thinking  
'Bout how it could have been  
If our days were numbered  
Tell me would you love me then  
Can you say I love you  
Will you let it go unsaid  
Let's quit wasting time  
'Cause our time is limited
