

Jefferson Starship, Quit Wasting Time

Don't we go on living
Like our lives come with some kind
of guarantee
Talking 'bout the future
Like we'll see tomorrow's sunrise
definitely
Got no time for love today
Don't notice love just seems to
slip away

I don't want to end up thinking
About how it could have been
If our days were numbered
Tell me would you love me then
Could you say I love you
Would you let it go unsaid
Would we be wasting time
If our time was limited

Seems to me that we
Could treat each other so much
better than we do
I don't want to wait
Till it's too late to let you know that
I love you
Let's treat each day like it's the last
Make up for the time we wasted in
the past

I don't want to end up thinking
'Bout how it could have been
If our days were numbered
Tell me would you love me then
Can you say I love you
Will you let it go unsaid
Let's quit wasting time
'Cause our time is limited
