

Jeffree Star, Cupcakes taste like violence

My hair looks like cotton candy
My heart is made of sequins
Blowpops and pink flavors
Give me something sweet
Give me something
Give me something
Give me something sweet sweet sweet
My skin looks like vanilla
My mouth is made of sugar
syringes and cupcakes
Give me something sweet
I'm good enough to eat
Oh yeah
You can't stop
Staring at me
You can't stop
I'm good enough to eat
You can't stop
Sticky sweet
You can't stop
Oh
(x2)
My makeup looks like rainbow sherbet
My braid feels like hard candy
Cashews and sundaes
Give me something sweet
Give me something
Give me something
Give me something sweet sweet sweet
Lipstick lightning
Bubblegum
Heart like a snow cone
jawbreakers and Morphine
Give me something sweet
I'm good enough to eat
Oh yea
You can't stop
Staring at me
You can't stop
I'm good enough to eat
You can't stop
Sticky sweet
You can't stop
Oh
(x2)
Sprinkles everywhere
Candy hearts like bruises
31 flavors
Which one are you choosing?
