Our love makes you beautiful to me
Our love makes you beautiful to me
Love causes a change of heart
Love gives a brand new start
Our love makes you beautiful to me
An endless score of joy that changed our lives around
Time will not destroy the love that we have found
Our love makes you beautiful to me
Our love makes you beautiful and free
Love brings a transformation
That's cause for celebration
Our love makes you beautiful to me
Our love makes you beautiful to me
Our love
